**INSTRUCTIONS:** each judge and volunteer is bound by the terms of and should be familiar with the statement of policy and procedures regarding conflicts of interest, as adopted by the board of directors. Questions regarding the statement of policy and procedures or this statement should be directed to the Executive Director.

If there are any circumstances in your background or present connections that in your opinion might reasonably be construed as unduly affecting your judgment in matters relevant to responsibilities with the judging activities you are engaging in, please describe them briefly.

These might be, for example, your child or relative participating in a category you are allocated to judge in, or you have mentored a finalist in the category you are allocated to judge in.

You are asked to indicate any such factors that in your opinion might reasonably be construed as potentially compromising your independent judgment on matters related to the judging processes or deliberation and ranking of finalists final results. If you have no additional circumstances to report, state 'NONE'.
